

**REQUEST FOR PROPOSALS
FOR
PARTNERSHIP FOR FIBER-TO-THE-PREMISES (FTTP)
NETWORK DEPLOYMENT**

**ADDENDUM 1
DECEMBER 5, 2016**

This addendum is to notify all potentially interested parties that the City of Pikeville has modified its RFP schedule to extend the date for the “letter of intent to respond” (LOI) to **December 9, 2016** at 11:59PM EST. *The City reserves the right to make additional modifications to its RFP schedule as necessary.*

See the updated schedule below:

- **November 23, 2016** – RFP issued
- **December 9, 2016** – Deadline for submitting questions about this RFP to the City
- **December 9, 2016** – Deadline for submitting letter of intent to respond to RFP to Christy.billiter@pikevilleky.gov
- **December 16, 2016** – Responses to questions due (from the City)
- **January 4, 2017** – RFP responses due to the City

The LOI is a non-binding acknowledgement that you intend to respond to the RFP. If you submit a LOI, you are **not** required to respond to the RFP. However, those that wish to respond to the RFP should submit a LOI by the deadline on **Friday, December 9, 2016**.

A short email is sufficient as a LOI—if you have submitted a letter, please ensure that you have received a response from us verifying receipt of your LOI. If you have not yet received a response, please resubmit your letter so that you can have a “receipt.”

All questions and concerns about this RFP should be directed to Christy.billiter@pikevilleky.gov.
