

2009 EXCAVATOR FOR THE CITY OF PIKEVILLE

The purpose of the document is to create "minimum specifications" for an excavator. Deviations from these specifications must be listed on a separate sheet of paper. The bidder must present proof of manufactures product liability insurance. Bidder must be a factory authorized dealer capable of supplying service, and parts from stock. The successful bidder will supply (2) sets of technical booklets and training material if necessary to operate components of the excavator. The bidder must furnish three references of users of this type of equipment.

A written warranty must be furnished to the City of Pikeville for the excavator, and appurtenances. Any extended warranties available will be offered to the City before the bid is awarded. Necessary warranty work will be completed locally.

Delivery will not exceed six (6) weeks from the date the bid is accepted by the City of Pikeville.
