A message from the City of Pikeville regarding Hillbilly Days

The safety and health of our residents is of utmost importance to us, and the City is taking all necessary steps to ensure a safe and successful Hillbilly Days this year. City officials will continue to closely monitor and assess the impact of COVID-19 in the coming weeks, working with and seeking guidance from public health experts. As the situation evolves, the City of Pikeville will determine whether or not it is safe to host the event.

At this time, we are continuing to plan and prepare for another successful Hillbilly Days for our community to enjoy, and we are evolving to adopt best practices for safety and hygiene for the event. We will keep you informed on the situation as more information arises.
