The following Resolution was presented to the Board of Commissioners:

RESOLUTION

RESOLVED THAT, WHEREAS, it has come to our attention that as presently planned the nearest access from Pikeville to the Fishtrap Reservoir will be approximately twenty-five (25) miles by road and that it is thought to be feasible to extend the road now being constructed to the top of the Dam a sufficient distance up Upper Pompey Creek to provide a boat dock and recreational facilities which would be much nearer and more convenient and accessible to citizens of Pikeville than presently planned and that it has been reported that the waste material from the diversion tunnel and bed of the dam now under construction could be used for the necessary fills on the extended access road above mentioned.

NOW THEREFORE, the Mayor be authorized and directed to bring this to the attention of the proper authorities in charge of the construction of the Fishtrap Dam Project and Particularly Col. Harrington W. Cochran, Corp of Engineers, 502 Eight Street, Huntington, West Virginia, and that he and Senator John Sherman Cooper, Senator Thurston B. Morton and Representative Carl D. Perkins be furnished with a copy of this Resolution.

Upon motion made by Commissioner Frederick W. Baker and seconded by Commissioner Kermit Sexton, the above Resolution was adopted by unanimous vote.
