The City Attorney, O.T. Hinton, announced that he had negotiated a settlement of the case of George Rich vs. City of Pikeville, being Action No. 8115 on the Civil Docket of Division No. Two of the Pike Circuit Court, by which the City was to pay the sum of \$700.00 plus Court costs in full settlement of the claim.

The City Attorney presented the following resolution.

RESOLUTION

BE IT RESOLVED that WHEREAS, there is an action pending in the Pike Circuit Court entitled "George Rich vs. City of Pikeville" being Action No. 8115 on the Civil Docket of the Second Division Court, in which the plaintiff seeks to recover damages to his household furniture and dwelling house situated on Garred Street in Pikeville which damage was occasioned by flooding, which was the result of some obstruction in the sewer line leading to Cline Street in July of 1961, and

WHEREAS, this claim has been pending for more than five (5) years, and

WHEREAS, the City Attorney has investigated the facts and has determined that the insurance carried by the City at that time did not cover liability for the maintenance of this sewer line, and is of the opinion that the plaintiff would be entitled to recover and that the damages are substantial and would probably be in excess of the amount offered in the settlement and has therefore recommended the acceptance of the offer of \$700.00 to settle the case.

NOW THEREFORE, in consideration of the premises, BE IT RESOLVED that the City Manager and City Attorney be authorized and directed to settle this case on the basis mentioned, and the City Manager and City Clerk are authorized and directed to have checks issued to George Rich and Marris Allen May and John Paul Runyon, Attorneys, for the sum of \$700.00, and to Claude Reed, Clerk of the Pike Circuit Court, for the cost bill to be verified and approved by the City Attorney.

RESOLUTION

BE IT RESOLVED that WHEREAS F.S. Huffman, City Treasurer, has tendered his resignation, effective June 30th, 1966, and

WHEREAS the City Manager has recommended the appointment of Mr. Ray Burke to succeed him, and

WHEREAS, the City Attorney has advised that it would be advisable to defer transferring the duties of the office from the present City Treasurer to the newly appointed City Treasurer until the end of the fiscal period ending June 30th, 1966, after an audit of his records can be made, and that it would be impossible to get such an audit made by competent accountant until after April 15th and it is therefore recommended that the transfer be deferred until June 30th.

NOW THEREFORE, BE IT RESOLVED, that the tendered resignation of Mr. F.S. Huffman, dated March 9th, be accepted, and that Mr. Ray Burke, his successor, be appointed and directed to take over the office as of July 1st, 1966.
