The meeting was called to order at 7:40 P.M.

The meeting began with a discussion by residents of the City regarding dogs. Chester Smith and other citizens complained of being disturbed by dogs running loose. After a discussion on this matter, the Commission instructed the City Attorney to prepare an ordinance incorporating the leash law, impoundment law and licensing law. Dr. Fred Lawson, Veterinarian, said this ordinance could not be enforced until the City had a place to put the dogs. Mayor Hambley said the City would have a Dog Pound as soon as an appropriate place could be located.

Herman West of Ferguson Creek came before the Commission and asked if the City would compensate him for the expense he will incur in re-locating the water and sewer lines due to the water and sewer project that is going up Ferguson Creek. After discussing the matter with Mr. West, Mayor Hambley said he would check into the situation and advise Mr. West of the Commission's decision.
