The Motion Carried

* Copy of the budget on file in City Clerk's Office.

The next item of business was to discuss the service charge on utility customers.

Mayor Hambley stated that the people were customers of the City by virtues of a transaction with Lindsey and Elliott Gas System.

Mayor Hambley stated that the situation was different than what the Ordinance states. Mayor Hambley stated that since the City purchased this line of whom these people were already users and since there was no action taken to discontinue or to continue the service so that the service was unbroken due to our transaction that there would not be no service except as applied by the Ordinance for new services or discontinuing and resume services. Mayor Hambley stated that the City does not consider this a new service nor a discontinued and resumed service but a continuing service purely due to a transaction.

Note Mayor Hambley stated if there was any question on the other fees that any customer on that line that has to have a new service that they are charged for the meter and insulation fee.

Mayor Hambley further stated that those who own their own property still pay the same as before. Those who are renters will have to pay in accordance the deposits to get the new service as any other customer.

After a lengthy discussion Commissioner Kermit Sexton made the motion to relieve the customers from the newly acquired gas line of Lindsey and Elliott the \$5.00 service charge. Commissioner Willie J. Meade seconded the motion. Upon roll call the vote was as follows:

COMMISSIONERS:	Robert Amos, Jr.	Yes
	Kermit Sexton	Yes

MINUTES - JUNE 24, 1974

At a regular meeting of the Board of Commissioners of the City of Pikeville held in City Hall on June 24, 1974, at 7:30 P. M., the following members were present:

COMMISSIONERS:	Robert Amos, Jr.
	Kermit Sexton
	Thomas Howell
	Willie J. Meade
MAYOR:	W. C. Hambley

The meeting was called to order at 7:45 P. M., and began with the Assistant City Clerk reading minutes for the period from April 8, 1974 through April 26, 1974. The minutes were approved as read without any additions or corrections.

Circuit Judge, E. N. Venters and Reed B. Anderson came before the Commission concerning the Parking Tickets that are being issued to the Jurors.

Mayor Hambley stated that it was his understanding that as long as the Court provided the City with a list of the Jurors who were actually either serving or impounded that they would be eligible.

City Attorney, Larry Webster suggested that new cards be printed for each Juror to fill out at the beginning of the time of the Jury service indicating the name, license number of the car that will be used during the time of Jury Duty or the time their term expires.

Mayor Hambley stated that the City made two Agreements.

1. Direct Payment of the Deed.

2. An Ancillary Agreement to that which was still part of the total agreement in which the City agreed to reconstruct the sidewalk around the County building and also to give them area rights over the area that would be developed from Caroline Avenue to Division Street when this was developed and the City would maintain control of the ground level parking. If they build a building over this area as part of their area rights, the City would provide the piers on which the building would be constructed.

Mayor Hambley stated that this Agreement would solve the parking problem for the County Courts and Circuit Courts.
