ENGINEERING SERVICE CONTRACT

THIS AGREEMENT, made and entered into this the 23 day of June, 1975 between the City of Pikeville, Kentucky (hereinafter called the "Owner") and E.S. Preston Associates, Inc. (hereinafter called the "Engineer").

WITNESSETH

That for and in consideration of the mutual covenants and agreements hereinafter set forth, the parties hereto agree and contract as follows:

ARTICLE IGENERAL OBLIGATIONS

1. The Engineer agrees to perform for the Owner, various engineering services in accordance with the requirements of the Owner at such times as the Owner may specify.

2. The Engineer shall render diligently and competently all engineering services which shall be necessary or advisable for the expeditious, economical and sound design and construction of the undertaking. The enumeration of specific duties and obligations to be performed by the Engineer hereunder shall not be construed to limit the general undertakings of the Engineer.

3. The Engineer shall furnish, employ and have exclusive control of all persons to be engaged in or about the services performed under this agreement; and shall prescribe and control the means and methods of performing such services by adequate and proper supervision. All persons employed by the Engineer in and about the performance of any such services shall be agents, servants or employees of the Engineer, and neither the Engineer nor any of such agents, servants or employees shall be deemed to be agents, servants or employees of the Owner for any purpose whatsoever; the Engineer being, and at all times acting as, an independent contractor hereunder, and being responsible as a independent contractor to the Owner.

4. The Engineer agrees to furnish all labor, supervision, transportation, engineering tools and equipment and the usual office supplies necessary or desirable for the full and satisfactory performance of the services hereunder.

5. All drawings, plans, specifications and other engineering matter required to be submitted by the Engineer under this agreement shall conform to the applicable practices and instructions as furnished to the Engineer by the Owner.

6. All drawings, plans, specifications and other engineering matters related to the services rendered hereunder shall be the sole property of the Owner, whether or not the work is to be executed, and shall be delivered to the Engineer upon request.

7. All work performed under this agreement shall be done in a thorough and workman like manner and in accordance with the latest applicable Industry Code, local and State laws, rules, regulations and orders or regulatory bodies having jurisdiction, and current Owner practices. The Engineer shall provide engineering surveys for design and engineering surveys for construction to establish reference points which, in the judgment of the Owner, are necessary to enable the construction contractor to proceed with the work.

8. The Engineer shall be responsible for coordinating the work hereunder with other utility companies or municipalities where such coordination is necessary.

9. The Engineer shall furnish to the Owner all engineering information, data and drawings required for producing all necessary or desirable permits, licenses, agreements with respect to crossing of navigable streams and railroads, and with respect to paralleling or crossing of State highways, and with respect to crossings of or encroachments on private property.

10. The Engineer and the Owner shall comply with all applicable statutes pertaining to engineering and the Engineer warrants that he possesses license number 9315 issued to him for the practice of Civil Engineering by the State of Kentucky on the 14th day of May 1975.

ARTICLE IIAUTHORIZATION OF ENGINEERING SERVICES

1. The Owner will authorize the Engineer to perform engineering services covered by this agreement in advance by means of a Work Order Form or letter of authorization.

2. The Engineer shall have the right to determine the sequence of performing his work pursuant to authorization provided, however, that he shall meet the delivery schedule as set forth by the Work Order.

MINUTES } CITY OF PIKEVILLE

3. The Owner only shall have the right to cancel or defer the engineering services authorized by this agreement. Advice of cancellation or deferment may be given by telephone.

ARTICLE III

COMPENSATION

1. The Owner will pay the Engineer, as full compensation for services rendered hereunder, in accordance with Appendix "A" attached hereto and made a part hereof, which sets forth the current Classifications and Rates of the Engineers and services to be provided including payroll burdens, overhead, direct costs and net fee. Appendix "A" including payroll burdens, overhead, direct costs and net fee may be revised by mutual agreement of the Owner and the Engineer.

2. The foregoing compensation shall include the use of all drafting instruments, surveyor's transit, chain or tape and any other ordinary engineering instruments.

3. Corrections necessary to comply with instructions and practices furnished to the Engineer in accordance with Article I, Paragraph 6 shall be made by the Engineer without additional compensation.

4. In the event there is a major change in the scope, character, or complexity of the work to be performed by the Owner, the compensation payable to the Engineer for additional service performed by the Engineer, if any, pursuant to such change shall be determined on the basis of the rates set forth in Appendix "A" including payroll burdens, overhead, direct costs and net fee and mutually agreed to be by the Owner and the Engineer prior to effecting the change.

5. The Engineer shall keep and maintain such records, accounts, books, documents, papers, invoices and other materials necessary to determine proper billing to the Owner under this agreement and shall make the same available to the Owner for inspection upon its request.

6. It is agreed that the percentage of productive payroll, established at the time of issuance of any work order, will be used for invoicing purposes for that work order until actual payroll additive costs for the period of actual work performance have been established by supportive audits at which time appropriate adjustment in the payroll additive cost chargeable to the project shall be made.

7. Each statement of charges submitted to the Owner should segregate billing according to Work Order number and be itemized in such detail as may be required by the Owner to permit verification of the charges.

ARTICLE IV

SPECIAL PROVISIONS - HIGHWAY RELOCATION WORK

In the event the Owner procures the Engineer to perform certain engineering services in conjunction with the relocation of its plant facilities on State and Federal Aid Highway projects, the following conditions shall apply to all work performed in connection therewith.

1. The Engineer shall maintain all books, documents, paper accounting records and other materials pertaining to the costs incurred on such project and shall make such material available to the Department and/or Federal Highway Administration upon request. The Engineer further agrees to maintain such records for a period of three (3) years after the date of final payment from the Bureau of Highways to the Owner.

2. The scope of the work shall be defined in writing on each highway project and the estimated cost of each project shall be computed by multiplying the rates outlined in Appendix "A" by the estimated time required to perform the work.

3. The Engineer shall become familiar with the AASHO Policy on the Accommodation of Utilities and with the provisions set forth in the State's accommodation policies and procedures and supplements and amendments thereto.

4. The maximum amount payable on any highway project will not exceed the estimated cost unless there is a substantial change in the scope, complexity or character of the work to be performed.

IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed.

CONTRACT

PART I - AGREEMENT

THIS AGREEMENT, entered into, as of the 23rd day of June, 1975, by and between the City of Pikeville, Model Cities Office, State of Kentucky (hereinafter referred to as the "Local Public Agency") and Vogt, Sage and Pflum, a partnership of the City of Cincinnati, State of Ohio with offices in Frankfort, Kentucky, (hereinafter referred to as the "Contractor"), WITNESSETH:

WHEREAS, the Local Public Agency has, or will, enter into a contract with the United States of America providing for financial aid to the Local Public Agency under Title I of the Housing and Community Development Act of 1974; and

WHEREAS, pursuant to such Contract, the Local Public Agency will undertake certain activities necessary for the planning or execution of said project; and

WHEREAS, the Local Public Agency desires to engage the Contractor to render certain technical assistance in connection with such undertakings of the Local Public Agency.

NOW, THEREFORE, the parties hereto do mutually agree as follows:

1. SCOPE OF SERVICES

The Contractor shall perform all the necessary services provided under this Contract in connection with and respecting the Pikeville Kentucky Community Development Program and shall do, perform, and carry out, in a satisfactory and proper manner, as determined by the Executive Director of the Model Cities Agency, the following specific phases of the program:

A. Technical Assistance

The Consultant shall assist the City of Pikeville in the area of technical assistance of all tasks where requested by the Model Cities Executive Director and with a minimum of two (2) meetings per month with the LPA staff. Such technical assistance shall include (by way of illustration and not limitation) the following activities with respect to the Contract:

- (1) Assistance in and/or review of progress and other reports for transmittal to LPA officials and HUD per HUD guidelines such as Environmental Assessment, etc.
- (2) Assistance in and/or review of monthly or semi-monthly work schedules for work activities related to the Community Development Program.
- (3) Attendance, as requested by the Model Cities Director, at meetings of the Staff, City Council, Citizens Meetings or local private organizations interested in the Project area.
- (4) Guidance and review, as requested by the Model Cities Director, of procedures to be utilized by the Agency staff or contract agencies in the undertaking of the Community Development Program.

MINUTES } CITY OF PIKEVILLE

- (5) Assistance in or review of the preparation of contracts, specifications and other data necessary or pertinent to the evaluation and execution of the Community Development Program.
- (6) Any and all other necessary technical work items specifically requested in writing by the Model Cities Executive Director necessary for execution of the Community Development Program.

B. Assistance with any New Development Legislation and/or Guidelines

- (1) Keep the LPA staff informed of pending legislation, guidelines and/or HUD policy statements pertaining to execution of the Community Development Program.
- (2) Assist the LPA staff, in the preparation of a second year action program strategy.
- (3) Assist the LPA staff in the preparation of a formal application for HUD assistance under the Community Development Program. If extensive technical writing is required by the VSP staff, this work item will be renegotiated as an amendment to this Contract.

2. TIME OF PERFORMANCE

The services of the Contractor are to commence on _____, and shall be undertaken and completed in such sequence as to assure their expeditious completion in the light of the purposes of this Contract; but in any event all of the services required hereunder shall be completed within 182 consecutive calendar days from the date of this contract.

3. COMPENSATION AND METHOD OF PAYMENT

The LPA will pay the Contractor to provide assistance to the City of Pikeville on a lump sum basis consistent with the approved budget. Such services as identified herein would be under the direction of the Director of the Model Cities Agency.

The lump sum fee would include costs of the Consultant associated with the salaries, general office overhead, secretarial services, fringe benefits, telephone and telegraph, local travel and other Federally audited overhead costs. The invoice would be on a monthly billing based upon percentage of items completed. The total cost will be limited to a maximum cost of \$3,000.00 or \$500.00 per month for 6 months.

It is expressly understood and agreed that in no event will the total compensation and reimbursement, if any, to be paid hereunder exceed the maximum sum of \$3,000.00 for all of the services required.

4. TERMS AND CONDITIONS

This Agreement is subject to and incorporates the provisions attached hereto as Part II - Terms and Conditions (Form H-621B, dated 2/69).

IN WITNESS WHEREOF, the Local Public Agency and the Contractor have executed this agreement as of the date first above written.
