City Manager, Ayers Shortt, wanted the Commission to consider furnishing Wayne Supply with a gas hook-up. They were in need of 100,000 cubic ft. of gas per day before, and the City was not able to furnish that. But they only need 50,000 cubic ft. now, with them receiving another 50,000 cubic ft. from 2 wells located on their property. Mr. Shortt feels the City is able to furnish them 50,000 cu. ft. per day. The Commission agreed.

Mr. Shortt explained to the Commission that the jobs they had discussed in the last meeting that needed to be attended to were in the designing stage and some have been started.

Mayor Hambley brought up discussion of the placement of water lines up Williams Hollow to furnish 27 families with City water. It would take 2500 feet of water line and due to an elevation problem, a pumping station is necessary and it would also constitute a storage tank in the head of the hollow; and before the families can receive sewage, there would have to be an annexation, which would have to be done before the cut-thru project is completed.

Commissioner Willie Joe Meade made the motion to adjourn.
Commissioner Bob Easton second the motion.

CHARLES L. HUFFMAN, JR., CITY CLERK

REGULAR MEETING - NOVEMBER 24, 1975

At a regular meeting of the Board of Commissioners of the City of Pikeville, Kentucky, held in City Hall on November 24, 1975, at 7:30 P.M., the following members were present:

COMMISSIONER: Robert Amos, Jr.
Bob Easton
Thomas Howell
Willie Joe Meade

MAYOR: W.C. Hambley, M.D.

The meeting was called to order at 7:30 P.M.

The Assistant City Clerk read the minutes for the period of November 10, 1975 and November 12, 1975. The minutes were approved with the exception of the correction of the Big Sandy Valley Water District rate increase of 45¢. The increase should be a 15¢ increase.

A well-represented group of residents came before the Commission concerning placement of coal docks in their residential area.

Herbert Deskins, spokesman for the group, asked the Commission to determine if there are alternatives to relocate the docks where it would not affect the residents of Pauley Addition, Keel Addition, Lake JoAnn and Coal Run.

Mayor Hambley stated that the evolution of this revolves around several issues.

He held a lengthy discussion with the group, explaining the reasoning behind these decisions. Subjects of discussion covered the cut-thru project, desirable location of bridge, options of relocation of coal docks.

Representatives from C & O Railway attended the meeting and were asked by the residents to make a statement.

MINUTES | CITY OF PIKEVILLE

They stated that they were not favoring either side of the issue; they came only to see what the atmosphere was. They stated that they had no preference in relocating.

Freddy Baker presented a petition from the property owners in the residential areas of the above said; violently objecting to the placement of coal docks in their area, and reasonings behind this. The petition was signed by 155 residents.

Mayor Hambley said they would look for other alternatives in the relocation of the coal docks.

Commissioner Robert Amos, Jr. made the motion that a study be made for alternatives of replacing the coal docks elsewhere; and to meet with the coal dock owners to see if they can arrange a different solution. Commissioner Willie Joe Meade second the motion.

Upon roll call the vote was as follows:

COMMISSIONER: Robert Amos, Jr.

Bob Easton
Thomas Howell
Willie Joe Meade
W.C. Hambley, M.D.

The motion carried.

Mrs. C.H. Farley came before the Commission to receive information concerning the Farley Building located behind The First National Bank building on Main Street. She had heard that the Model City Program would be taking the building and she did not want to give the building up.

Mayor Hambley said that she would have to talk to Robert Johnson, Director of Urban Renewal, and he would give her the information she needed.

The Audit for the City of Pikeville was presented to the Commission. They were to take the Audit and study it, if they have any question, Mr. Linton will attend the next meeting to answer them.

Mayor Hambley stated that the Audit for next year will be started in June, so it could be completed by October 1st.

Bids were opened for the recreation center at the Pikeville Athletic Field. Mayor Hambley opened and read the following bids:

1. American Modulars Corp. 2424 Far Hills Ave. Dayton, Ohio 45419 \$171,772.00

CHARLES L. HUFFMAN, JR., CITY CLERK

CONTINUED MEETING - DECEMBER 1, 1975

At a continued meeting of the Board of Commissioners of the City of Pikeville, Kentucky, held in City Hall on December 1, 1975, at 7:30 P.M., the following members were present:

COMMISSIONER: Robert Amos, Jr.

Thomas Howell

Willie Joe Meade W.C. Hambley, M.D.

MAYOR:

The meeting was called to order at 7:40 P.M.

A discussion was held on the bids for the recreation center that were opened at the Regular Meeting, November 24. Mayor Hambley read the following bids:

1. American Modulars Corp. 2424 Far Hills Ave.

base bid

\$171,772.00

Dayton, Ohio 45419

Box 2498

2. Barb Construction, Inc.

Pikeville, Kentucky 41501

base bid

\$220,000.00

Mayor Hambley stated the lowest bidder is American Modulars Corp. and the City would be able to accept the alternates on their bid, with their total bid being \$187,694.00.

Question was raised toward acceptance of Alternative No. 3 Trophy Room Carpet. Mayor Hambley stated that the Model City Day Care Center would be using this room and they may not want total carpeting in this room. A meeting would have to be held with the Director of the Day Care Center and then a decision would be made on alternate No. 3.

Commissioner Robert Amos, Jr. made the motion to accept American Modulars Corp. as the low bidder, total bid being \$187,694.00; which includes alternates, with the understanding that negotiation be made on alternative No. 3; and to give Mayor Hambley authorization for the signing of the contract. Commissioner Thomas Howell second the motion.
