

## MINUTES } CITY OF PIKEVILLE

The City Manager reported on a proposal for a Grand Ole Opry production in Pikeville. The proposal was discussed but the Commission wanted to know who they are and who would be performing. A contract for the performance is needed. No action was taken.

City Attorney, Larry Webster, presented a proposed ordinance to limit the speed on Julius Avenue to 15 mph. Mayor Hambley read the Ordinance for the first time. No further action was taken.

A work session was set for May 26, 1983 with the Pike Villa, Inc., housing developers, to discuss their lease or purchase of 4 acres on the first level of the Upper Poor Farm Hollow for a housing project.

A proposal to put stop signs on the Boulevard was discussed, but no action was taken.

Two gas line projects were discussed. One will replace the old natural gas lines on Main Street and Second Street from Pike Avenue to Scott Avenue. The other will relocate the City's natural gas line on Upper Chloe where the State is planning to realign the highway. Since our gas line is in the ditch line, we will have to relocate that 600 feet of gas line at City expense.

The City Attorney asked about a Claude Purvis who allegedly was the City's construction inspector on the Lower Chloe water and gas lines. Testimony is needed in the lawsuit between the City and the First Christian Church. The lines were installed about 1974 but they were run straight across the Church Property rather than following the curve of Chloe Creek where the easement was granted.

There being no further business, Robert Page moved, seconded by Buford Johnson to adjourn the meeting. Upon roll call the vote was as follows:

COMMISSIONER:	ROBERT PAGE	YES
	HARDING DAWAHARE	YES
	BUFORD JOHNSON	YES
MAYOR:	W. C. HAMBLEY, M.D.	YES

The Motion Carried.
